

[Continued from previous report]

With respect to the non-federally registered political committee contributors identified in your letter under issue four, please be advised that Friends of Todd Young accepts contributions from such entities as outlined in 11 CFR 102.5(b). Friends of Todd Young makes a follow-up, stand alone, written or verbal communication to the entity within 30 days of receipt of the contribution. The request clearly requests an affirmation that the contribution was made with funds that are permissible under the Federal Election Campaign Act (as amended). If the contributing entity requests a refund, Friends of Todd Young will issue a refund in the full amount of the contribution. This non-federal committee contribution does not exceed the \$1,000 permissible limit.

With respect to the 48-hour notices identified in your letter under issue five, the Committee made its best efforts to file 48-hour notices. The Committee reported in a timely manner a total of \$81,900.00 in 48-hour notices for 50 total contributions. However, the Committee acknowledges that the donations itemized on the RFAI attachment two were not filed. As previously noted in this response, the Committee has determined that one of the \$2,400.00 donations originally reported from V. Richard Miller of Boca Raton, FL on 10/15/10 was inadvertently reported, and the Committee did not actually receive this donation. This donation would therefore not qualify for a 48-hour notice. Also as previously noted, Friends of Todd Young has retained a professional compliance consulting firm as of January 1, 2011 and is in the process of re-reconciling the complete Committee financial records. Part of the re-reconciliation process includes the establishment of internal controls intended to ensure accurate and on-time filing of 48-hour notices going forward.
